1. The following data are submitted concerning the airfield construction 3 km. east of Kunmadaras (R48/J80):
    - a. Size of the airfield: 100 acres. ...
    - b. An 8-km long rail line is under construction along the west side of the airfield.
    - c. Seven subterranean gasoline reservoirs are under construction.
    - d. An underground repair shop 130 x 60 meters is also under construction.
    - e. Two very large subterranean hangars, 2 stories high, for fighter planes are under construction with perhaps as many as 16 other types of hangars, likewise under the ground.
  2. The entire project is supervised by the Russians. Most of the 5,000 workers are prisoners; they are working in three 8-hour shifts.
  3. For security reasons the Hungarian Minister of Defense has ordered first the deportation of all non-Communist residents of the area, to be followed by the entire evacuation of the civilian population of Kunmadaras.
